

## Dear Santa,

My name is \_\_\_\_\_

and I've tried very hard to be a good boy/girl this year.

I helped and tried to listen to my parents.

I would like to ask you for a few presents for Christmas.

Here they are: \_\_\_\_\_

I promise to be even better next year.

Wishing you a safe flight on Christmas Eve! And think about the cookies and milk I'll leave for you.

With love and hope for a miracle, \_\_\_\_\_

Happy Holidays!
