## **Setting:**

A festive living room decorated for Christmas with a large tree, colorful lights, and a pile of presents. A cozy fireplace crackles in the background.

## **Scene 1: The Introduction**

Narrator: (cheerfully) Welcome to "Celebrity Christmas Capers!" Tonight, we'll peek into how some of our favorite celebrities celebrate the most wonderful time of the year!

## **Scene 2: Santa's Arrival**

(Santa enters, looking flamboyant and wearing sunglasses.)

Santa: Ho, ho, ho! I'm here to check my list and deliver some holiday cheer! But first, let's see how these celebs are getting ready for Christmas!

## **Scene 3: Elvis Presley's Christmas**

(Lights dim and spotlight on Elvis, who is decked out in a sequined Santa suit.)

Elvis: (singing) "Blue Christmas, baby! I'll have a blue Christmas without you!"

(He starts shaking his hips and tossing ornaments like they're hound dogs.)

Elvis: (suddenly serious) And I'm gonna make my famous peanut butter and banana Christmas cookies! (pauses) Uh, wait... do we have any bananas?

(A stagehand throws a banana at him. He catches it with flair.)

Elvis: Thank you, thank you very much!

#### **Scene 4: Taylor Swift's Christmas**

(Taylor Swift enters with a guitar and sparkles.)

Taylor: (cheerfully) It's time for my annual "Christmas Album Release!"

(She strums her guitar and sings a parody of one of her hits.)

Taylor: (singing) "All I want for Christmas is you... to stop texting your ex!"

(She winks at the audience.)

Taylor: And don't forget, I'll be gifting all my fans with a surprise—my new holiday sweater line!

(She holds up an ugly sweater with her face on it.)

#### **Scene 5: Dwayne "The Rock" Johnson's Christmas**

(Dwayne enters flexing his muscles while wearing a Santa hat.)

Dwayne: (in a booming voice) It's time to lift some holiday spirits!

(He picks up a giant sack of gifts effortlessly.)

Dwayne: (grinning) I'm delivering presents this year—no sleigh needed! Just pure muscle power!

(He pretends to do push-ups with the sack.)

Dwayne: And remember, kids—stay strong and eat your veggies... unless it's Christmas cookies!

#### **Scene 6: Martha Stewart's Christmas**

(Martha enters with a clipboard and an apron.)

Martha: (with authority) Alright, everyone! Let's make this the most Pinterest-worthy Christmas ever!

(She starts arranging decorations meticulously while giving tips.)

Martha: Remember, it's all about presentation. If your gingerbread house doesn't look like it belongs in a magazine, did you even bake?

(She holds up an elaborately decorated gingerbread house that looks too perfect.)

### **Scene 7: Dr. Phil's Christmas Advice**

(Dr. Phil walks in holding a mug of hot cocoa.)

Dr. Phil: (calmly) Now listen up, folks. The holidays can be tough. But remember—don't let family drama ruin your eggnog!

(He takes a sip and looks around.)

Dr. Phil: And if your uncle starts talking politics at dinner... just change the subject to fruitcake!

### **Scene 8: Ariana Grande's Christmas**

(Ariana bursts in with her signature ponytail and sparkles.)

Ariana: (excitedly) Hi, guys! Who wants to sing some holiday tunes?

(She starts singing "Santa Tell Me" but changes the lyrics.)

Ariana: (singing) "Santa tell me if you're really there... or just another celebrity in disguise!"

(The other celebrities join in for a fun sing-along.)

### **Scene 9: The Grand Finale**

(All characters gather around the tree, holding hands.)

Narrator: And there you have it—how our favorite celebrities celebrate Christmas! Remember kids, it's not just about the gifts but the joy we share together!

All Characters:

Merry Christmas to all!

(They all wave as confetti falls from above and the lights twinkle brightly.)

**End of Skit**
