

I'M BACK!

DEAR -----,

Hello, my little dear,
Guess who's back, spreading cheer?
It's your Elf, full of delight,
Bringing magic and joy every night.

In Santa's name, I'm here to see,
All your goodness, love, and glee.
Behave well, and you shall see,
Christmas wonders under the tree.

With twinkling eyes and a heart so merry,
Let's make this season oh-so-cherry!
My friends, let the festivities start,
Merry Christmas, with love from the heart

LOVE,
Your favorite elf
