

OFFICIAL LETTER

Santa Claus

December _____

Dear _____,

I hope this letter finds you in good spirits and filled with joy. As the holiday season approaches, I wanted to let you know that you are on my nice list this year. Your kindness, generosity, and positive spirit have not gone unnoticed.

I have been busy preparing presents for all the good boys and girls, and I am excited to deliver them on Christmas Eve. Remember to leave some milk and cookies by the fireplace for me and some carrots for the reindeer.

Wishing you a magical and delightful Christmas filled with love, laughter, and the warmth of family and friends.

Merry Christmas!

yours truly, *Santa Claus*
