# Valentine's Tracing

Trace the lines.

The tracing practice consists of seven horizontal rows. Each row begins and ends with a solid-colored heart. Between the hearts is a dashed line that forms a continuous wave pattern. This wave is composed of four overlapping heart shapes, each drawn with dashed lines for tracing. The colors of the hearts in each row are: Row 1: Red; Row 2: Purple; Row 3: Pink; Row 4: Red; Row 5: Light Blue; Row 6: Light Green; Row 7: Orange.
